Experience

Graphic Designer

Commercial Printer

📍 Northern VA. 📅 Mar. 2011 - Present

- Used Adobe InDesign, Illustrator and Photoshop to create custom designs based on client requests.
- Managed digital print production and press production by coordinating and maintaining network between MACs, PCs, and all electronic output devices including digital presses and platemakers.
- Coordinated print production with a variety of outside vendors.
- Maintained Citrix ShareFile data base for large file transfers and file transfers from large clients with multiple users.

Graphic Designer

All Printing Services Inc.

📍 Los Angeles, CA. 📅 Nov. 1999 - March 2011

- Set up internal network (MAC and Windows compatible) to facilitate workflow between multiple computers and output devices and presses.
- Assisted clients with sit-down design sessions using QuarkXPress, Adobe InDesign, Illustrator and Photoshop.
- Managed all internal pre-press and press production
- Maintained multiple email accounts and file transfer sites.

Display Advertising Designer

The Los Angeles Times, California Community News division

📍 Glendale, CA. 📅 Oct. 1997 - Nov. 1999

- Designed display advertising for multiple daily regional editions and sections of the Los Angeles Times.
- Helped facilitate daily ad flow and delivery via direct interaction with Times Digital Ad Services.

Assistant Art Director

Professional Pilot Magazine

📍 Alexandria, VA. 📅 Feb 1995 - Aug 1997

- Worked on design, layout, photo editing and production of monthly four color magazine.
